

We are pleased to bring you the "Out of Library" Experience, a year-long schedule of events and occasions to get together with our SU Library colleagues away from the daily grind of work. We hope you get as excited as we are about the diverse range of activities and choose to participate in many!

Details of all of these events are forthcoming via e-mail and fliers. We are also planning to include upcoming "O-o-L" events, and other opportunities to gather, in the Library Staff News and on the Library Website.

If you'd like to help organize an "Out of Library" Experience or would like to join the fun of being a part of our committee, please contact one of us.

Enjoy!
